There is not a drop of alcohol or any narcotic in Dr. Pierce's Golden Medical Discovery, but in this safe vegetable remedy there is a mighty alterative power which by replacing the blood impurities with pure, rich blood, not only ends Catharrhal conditions wherever located, but vitalizes the kidneys, stomach, liver, bowels and every organ of the body. People who suffer humiliation and mental misery because of Pimples, Skin Rash, Blotches, Eruptions, Boile, Carbuncles, are especially benefited.

A Tribute to Crisco

A remarkable tribute to the quality of Crisco was received from the chef of one of the foremost hotels in the United States.

For some time he had been buying Crisco in moderate quantities. When without warning his orders were more than doubled a Crisco representative called to see what had happened. It was found that while formerly the chef had been using Crisco only for pastry and other bakery foods and had done his frying with the fat obtained from his meats, he had decided after experimenting with Crisco to sell the meat fats and use Crisco exclusively. He is now using

for frying as well as for shortening because he knows that Crisco fried foods are better and that the guests of his hotel cannot complain of these foods being indigestible. He does this in spite of the fact that he pays for Crisco three times as much as he gets for his meat scraps. Scientific cooks the country over are using Crisco because they understand it. They judge a food product by what it will accomplish. And they have found that Crisco accomplishes wonderful results in cooking.

Housewives can profit by their experience. If Crisco is the choice of chefs, Domestic Scientists and hospital dieticians, it is very likely to please everyone.
